Dear Friends,

I am seeking your input on the future of the Mitchell Park Horticultural Conservatory (The Domes). As you probably know, the Domes have been recently repaired at a cost totaling approximately \$1 million. However, these are only short-term repairs designed to last about five years.

Recently, a Milwaukee County task force has been appointed to examine the future of the Domes. I also want to solicit your opinions and input regarding the future of the Domes.

Please take a few moments to complete and return this survey. For more information to assist you in completing the survey, please go to my website: www.milwaukee.gov/staskunas.

Sincerely,

Anthony Staskunas
Milwaukee County Supervisor, District 17

INSTRUCTIONS: How to Mail In Your Survey

1. Cut along the white dash line and keep the panel.
2. With the survey questions facing you, fold inward the top panel.
3. Next, fold along the black solid line. This will make the address side appear in the mid-panel of the trifold (see diagram.) The instructions should be the back flap.
4. Place tape an inch away from each end at the top to close.
5. Add a first-class stamp and drop in the mailbox.

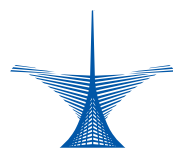

Supervisor Staskunas invites you to enjoy FREE Milwaukee County attractions!

Free to all the first Thursday of every month, sponsored by Kohl's. County residents get \$2 off every day.

800 W. Wells St., Milwaukee
(414) 278-2728

Milwaukee County 17th District Constituent Survey

YOUR OPINION COUNTS

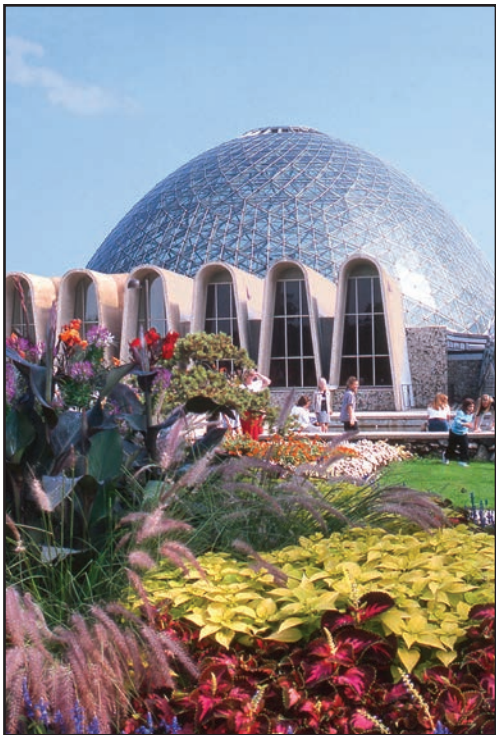

In completing this survey, please carefully consider the cost of each option. Milwaukee County has many financial needs and commitments which must all be carefully considered in this decision. Once complete, mail this survey to Supervisor Staskunas by following the instructions on How to Mail In Your Survey on the reverse.

Please rate in order from 1-4 with 1 being your most preferred option and 4 being your least preferred option.

- Repair all three Domes structures.**
This option would include all three of the current Domes in their current location at a cost of approximately \$60 million.
- Remove and build new Domes at the current site.**
In this option, all three Domes would be demolished and new domes would be constructed at Mitchell Park. The cost for this option is approximately \$80 million.
- Demolish the three standing Domes.**
A new conservatory would be built at Mitchell Park but not in a dome shape. The cost of this option is approximately \$40 million.
- Demolish Domes without rebuilding a conservatory.**
In this option, the three standing domes would be demolished and related activities would cease at Mitchell Park. The cost for this option is approximately \$2 million to demolish the Domes.

When was the last time that you or a member of your family visited the Domes?

Please share any other thoughts you may have.

STEP 3 OF INSTRUCTIONS: FOLD ALONG BLACK SOLID LINE
